

AOL

Back to [Whitelisting](#)

AOL (version 9.0 or higher)

In AOL, you can add the Church Community Builder address to the "People I Know" list. To add the address,

- Copy the "from" address from the latest Church Community Builder mail. (or you can copy the addresses listed [here](#)).
- Select the **Mail** menu and select **Address Book**.
- In the pop up box, select **Add**.
- Paste the copied address/type the address required in the **Other email** field.
- Make the newly added address the "Primary email address" by checking the checkbox.
- Select **Save**.

AOL (version 7.0 or 8.0)

- Select **Mail** in the Menu on the top of the screen.
- Select **Mail Controls**.
- The Mail Control Screen would be displayed. Select **Next**.
- Select **Customize Mail Controls for this Screen Name** and click **Next**.

Version 8.0

- You can select "Allow email from all AOL members, email addresses and domains" (allows all emails).
- Select **Next** until the **Save** button shows up at the bottom.
- Select **Save**.

Version 7.0

- In the **exclusion and inclusion parameters**, include the domain **ccbchurch.com**.
