

Inviting Group Participants

[Return to Groups](#)

To Invite a person to a Group use the same process as [Adding](#). When prompted choose to Invite instead of Add. When you invite a Person to a Group, he will receive the following email:

You are receiving this email because Master Admin is inviting you to join GROUP NAME.

*You can view details about GROUP NAME at
([LINK TO GROUP](#)).*

*You can simply click on the following link to automatically join the group:
