

Sermon Series – May 6 – May 20, 2018

Join us as we begin to sense God's power to make our lives bigger than worry, urgency, suffering, even bigger than self.

Date: May 6

Bottom Line: How is God assisting us through others and through the Spirit to live larger than our current situation? That's what we see from Paul's letter to the Philippians.

Bible: Philippians 1:1-18

Date: May 13

Bottom Line: The way of Jesus became the way of Paul and can also be the way of us. To live a life that's larger, it begins with decisions about humbleness (not humiliation). From a place of personal humbleness we find the posture for God to achieve his largest purposes through us (2:13).

Bible: Philippians 2:1-13

Date: May 20 – ONE WORSHIP SERVICE TODAY AT 10:00

Bottom Line: What have we learned about living the life larger than ourselves? Upon what will we keep our focus? How is God's Spirit empowering us from above to live the larger life in ways that matter most here in our every days?

Bible: Acts 2:1-20; Philippians 4:4-7
